Long Range Shooting School- Can be used at any of the 2024 shooting schools. See available date online at longrangeshootingschool.com. These take place at Two Hats Ranch near Big Rapids. Our courses are designed to teach you the skills and techniques required to make long distance shots with precision and accuracy. Our experienced instructors will guide you through the process and help you become a master of the art of long range shooting.

Badlands MRK3 Backpack- The MRK 3 is tough, functional, comfortable, and built to move mountains of miles and meat — and its split pontoon design gives you even more room to do so. Backed with an Allite® Super Magnesium™ frame and designed with your posture in mind, it's an essential on any big-game hunt.

Barnett Crossbow TS380- The TS380 has speed, fit and function all on its side: delivering an overall shooting experience that's as comfortable as it is effective. The adjustable length-of-pull butt stock and pass-through foregrip make the high-speed crossbow easy and comfortable for almost any shooter to shoulder. This special edition crossbow even has an integrated crank cocking device to reduce cocking tension by up to 93 percent! Package Includes: 4x32mm Multi-Reticle Scope, Integrated Crank Cocking Device, Lightweight Side-Mount Quiver, Two 20 Headhunter™ Arrows
